# BRIDGES WE HAVE CROSSED

**The return of the students marked the opening of the 1984-85 school year for the Knights of Floyd E. Kellam High School. One of seven area high schools, Kellam is located in one of the more rural parts of the city. This year, Kellam celebrates the twentieth anniversary of the first graduating class in 1965. Kellam is surrounded by an area rich in history, scenery, and in growth. From the steps of the old Princess Anne Courthouse, the surf of Sandbridge, and to Lynnhaven Mall, Kellam's 1400 students enjoy the variety in life this community has to offer.**

**This year, the purpose of this yearbook is to capture just a few of the special moments the students have felt, from triumph to tears, and from excitement to frustration; this yearbook marks the bridges we have crossed.**

# STUDENT LIFE AT KELLAM HIGH CAN BE TOUGH

**Students at Kellam must endure a variety of challenges their high school years impose upon them. These challenges can include dating, cheat sheets, football games, concerts, car insurance, parties, college applications, mighty bite lunches, part-time jobs, cramming for exams, and anxiety over report cards.**

# KELLAM HIGH SPIRIT LIVES IN 1985

**With the Beach District Championship in football, Kellam really had something to cheer about. With its 12th man on the team (the fan), Kellam's spirit was obvious to every opponent. Enduring the cold, throwing confetti, screaming, and cheering, the fans truly supported the home team this year. It's just one aspect of what makes Kellam a great school!**

# FESTIVITIES AND VICTORY HIGHLIGHT HOMECOMING AT KELLAM

The 1984-85 Homecoming was a memorable highlight of the year. Played against Cox, the Knights triumphed in a shutout game, 7-0. The incredible participation by students in the parade together with the victory made the night truly special for the hundreds of fans present. Revolving around the theme "Tomorrow's Dreams," over a dozen decorated trucks, cars, and floats showed how much spirit Kellam students have. The band, as usual, gave a thrilling halftime performance while showing off their new uniforms.

The sophomore attendants for the halftime ceremonies were Gina Fetters and Debbie Scotece; for the juniors, Beth Smardon and Billie Boyd; and for the seniors, Kim Vaughan, Jennifer Jordan, Sherry Lockamy, Renee McPherson, and Michelle Hudson. Chris Mone, last year's queen, was present as Principal Letcher Hill crowned Renee McPherson this year's queen with unanimous fan approval. The finale for the night was the pleasant Homecoming Dance held immediately after the game.

# KELLAM ADMINISTRATORS

The Administration at Kellam is one of great authority, dedicated leadership, and true loyalty.

To be an administrator at Kellam, one must be able to understand a teenager's behavior and how they act around their friends. Usually, a teenager will misbehave around his peers more than when alone. An administrator must be conscious of peer pressure, and be able to deal with it.

An administrator keeps the school under control and makes sure that each and every school day goes smoothly.

Just as Octavius, Antony, and Lepidus were triumvirs of ancient Rome, our own Mr. Hill, Mr. Lewis, and Mr. Lumpkin are triumvirs of Kellam. These are the men to whom we owe a lot, and should respect because they are true leaders.

Also included in the administration is Roy Ammons. He has been deemed so many times as "the man behind it all," and in most cases, it is pure truth.

Some of Coach Ammon's jobs include maintenance of the football field, collecting tickets for games, and just about anything dealing with student activities.

Summertime finds him spending much of his time treating the field so it will make a good impression on visitors and provide the best possible area of play for our team.

Although many people don't give the administration the credit they deserve, we must realize all the effort they put into their work.

The administration strives for fairness to give people the benefit of the doubt, but they must be as stern as a court judge in making many decisions.

Decisions are truly one of the hardest jobs in an administrator's career, and many decisions must be made as the year progresses. When an administrator makes a decision, there is always a group of people that will disagree. To be able to satisfy all of the students, the administrator must be able to work out fair compromises.

Another tough job for an administrator is the enforcement of school policy. This job is hard because it can cause him to be greatly unpopular with the students if he were to make the wrong decision. What most people do not understand is that this is exactly what he is paid to do.

Mr. Hill, Mr. Lewis, and Mr. Lumpkin possess all the qualities of firm leadership, and in many cases, exceed their limits. With these qualities, it is not an uncommon sight to find them chatting in the halls with a student, or just simply giving him advice. We Kellam students admire and respect our administration.

In reaching goals, the students and administration must cooperate. If there is a failure in communication between the two, the goal-reaching process may be effected.

At Kellam, cooperation has always been present. With the administration and students working as one, Kellam's goals will be reached.

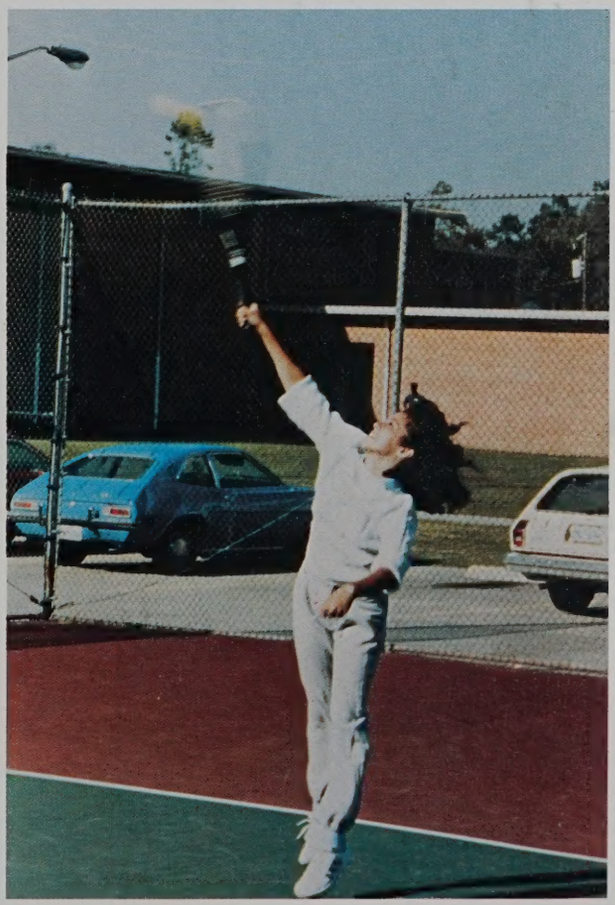
# FALL SPORTS EXCELL AT KELLAM

This year the Kellam Knights were riding high on emotion as the football team went 8-2 and captured the Beach District title. It was the first time in ten years that Kellam beat Kempsville, and the first time the Knights have beaten the Stallions since Green Run opened in 1977. The other fall sports also made a good showing as the field hockey team came in third in the city. The cross country team did well, with John Murray and Michele Arnold representing the Knights in regionals. The golf team improved considerably with Mike Southworth advancing to postseason play, and the girls' tennis team bettered last year's record.

Adela Roxas exhibits her perfectly "smashing" serve.



Glen D'Eon and Chuck Bowen lay down the rhythm for the Marching Knights.

# THE MARCHING KNIGHTS SHINE

The Kellam High School "Marching Knights" have had the most successful marching season in its history. The band participated in seven marching band festivals throughout Virginia and North Carolina.

The "Marching Knights" won a special invitation to participate in the 1985 Citrus Bowl in Orlando, Florida, for their outstanding performance in the field show competition at the James Madison University Parade of Champions. The Knights won 1st Place Champions in their class where they competed with sixteen other bands throughout the state. Kellam also won first place horn line and first place drum line. Earlier in the season, the "Marching Knights" received second place band at the Virginia Beach Open and first place band and grand champions at the Charlottesville Cavalcade Marching Band Festival. The Knights also brought home first place color guard and first place drum major.

The "Marching Knights" also participated in the state Marching Band Festival in Fairfax County where they received a rating of excellent. The band was up against its heaviest competition at the Tidewater Festival of Bands where they've made the finals for seven consecutive years. Kellam again made the ten finalists this year and placed seventh in the overall competition of over forty bands from throughout Virginia, North Carolina, Maryland and West Virginia. The band's most successful competition was the Eastern North Carolina Marching Band Festival where the Knights won 1st Place Drum Line and 2nd Place Drum Majors and received a rating of superior. The final festival of the season was the Cary Band Day where the "Marching Knights" won 2nd Place Band in their class of 15 bands, 2nd Place in the Grand Parade and 1st Place Woodwinds, 1st Place Brass Section and 1st Place Drum Majors.

The band also presented a Christmas Concert, Winter Concert, and a Spring Concert. The band was well represented in the District II All Regional Band and earned a superior rating in grade six literature at the District II Concert Festival. The band plans a concert and marching festival tour at the Great Southern Contest of Champions in Orlando, Florida in the Spring.

The band closed out its annual activities by receiving 31 superior ratings and 19 excellent ratings in the district solo and ensemble festival in May.

# Cheering the Knights on to Victory

The 1984-85 Cheerleaders turned out to be a unique group of spirited and talented young ladies. Under the leadership of sponsor, Linda Babb and co-captains, Dana Craig and Kim Vaughan, the Cheerleaders carried out many successful projects. To ring in the new school year, the cheerleaders sold Kellam Sweatshirts and t-shirts. For Homecoming, they sold spirit links, held a pep rally, and decorated the stadium with balloons and posters to cheer on our winning football team. An annual and successful project of the cheerleaders is the athletic breakfasts held after each sport's season.

Overall, the cheerleaders had a successful year, cheering on all our great teams and spreading spirit throughout the student body.

# Organizing the Masses by Classes

This year's Senior Senate of 1985, with its theme "Success is just around the corner," didn't really do an incredible amount of work until December. At that time the seniors started collecting money for the Prom, which hopefully will be held on the New Spirit. Under Alan Lattimer, the figure-head of the class, the seniors did have a few notable projects like the magazine sale and the Rock-a-Thon for charity. For Homecoming, the senior class float was very well constructed. Other officers for the year included Jimmy Quick (1st Vice-President), Vernon Watts (2nd Vice-President), Tricia Lesnevich (Secretary), and Sherry Brickhouse (Treasurer). The club would also like to thank Ms. Bryan (their sponsor) for all her support.

**SENIOR CLASS — Row 1:** Vernon Waits (Second Vice-President), Jimmy Quick (First Vice-President), Alan Lattimer (President); **Row 2:** Suzette Johnson, Tara Concepcion, Dianne Piotrowski, Tricia Lesnevich (Secretary), Sherry Brickhouse (Treasurer), Margaret Beavers; **Row 3:** Kacina Goffigan, Linda Schultz, Dana King, Mike Kinzel, Kathy Nolan; **Row 4:** Sharon Pratt, Stephanie Northern, Kevin Allison, Karen Jackson; **Row 5:** Georgia Liguid, Alisa Simmons, Mary Hancock, Janet Nootnagle, Mary Dauber; **Row 6:** Courtney Gay, Jennifer Clark, Lisa Agonis, Bunni Copeland, Steve Rudd, Adela Roxas, Glen D'Eon; **Row 7:** Patti McCulloch, Cynthia Luna, Michelle Hudson, Clint Carroll, David Lenczewski; **Row 8:** Kim Vaughan, Mike Cullipher, John Sawyer

The Senior Class portrayed the first day of school through graduation and life after high school on their Homecoming float.

**JUNIOR CLASS — Row 1:** Christi Bantay (Treasurer), Cindy Kidd (Secretary), Cindy Foy (Vice-President), Kim Black (President); **Row 2:** Tina Smith, Aileen Bagtas, Janet Etterman, Natalie Russell, Elizabeth Diffee; **Row 3:** Christy Brown, Leticia Adan, Dawn Brown, Jimmy Bush, Glenn McClanan, Tracy Sayles

President Kim Black has a lot to cheer about; her Junior Class had a very successful year.

Entering their second year of High School, the Class of 1986 was again faced with the neverending task of fund raising. Through the inspiration of the sponsor, Ms. Storm, and the drive and determination of Kim Black, President; Cindy Foy, Vice-President; Cindy Kidd, Secretary; Christy Bantay, Treasurer; and the rest of the Senate, money was collected by selling cheese and sausage, doughnuts, mugs, and "Gholish Greetings." The Senate even rocked in rocking chairs for twelve hours straight to collect money. The Class' determination and spirit led to one of the most successful ring dances ever held.

**SOPHOMORE SENATE:** Marius Payton (Secretary), Judy Rhodes (President), Kriste Peoples (Treasurer), Augustus Evangelista (Vice-President)

# THE KELLAM HIGH S.C.A.

The Student Council Association, or better known as the SCA, is a thriving organization at Kellam. Its main purpose is to train future leaders in the methods used in government. It does this by serving as a school government, giving students a chance to voice their opinions about school policies and activities. The SCA also is a service organization and tries to better the relationships between students and teachers and school and community. One of the biggest successes this year was the Fund Raising Drive for the United Way. Kellam raised $2,619.03, more than any other school in the city. The SCA also runs the Homecoming Festivities. This year our winning game and dazzling parade was followed by a reception where our own Ms. Scarangella played keyboard, backed by Mr. Correll on bass.

At Christmas time the SCA executive board showed off their Christmas spirit by caroling to the teachers after school. Kellam also had a visit from our all-time favorite jolly old man in red — that's right — Santa.

This year Kellam's SCA was honored to have its President, Clint Carroll, serve as the Chairman of City-Wide SCA; Clint worked hard and did a super job in both positions.

Because of the outstanding participation from the student body, Kellam's SCA was extremely successful.

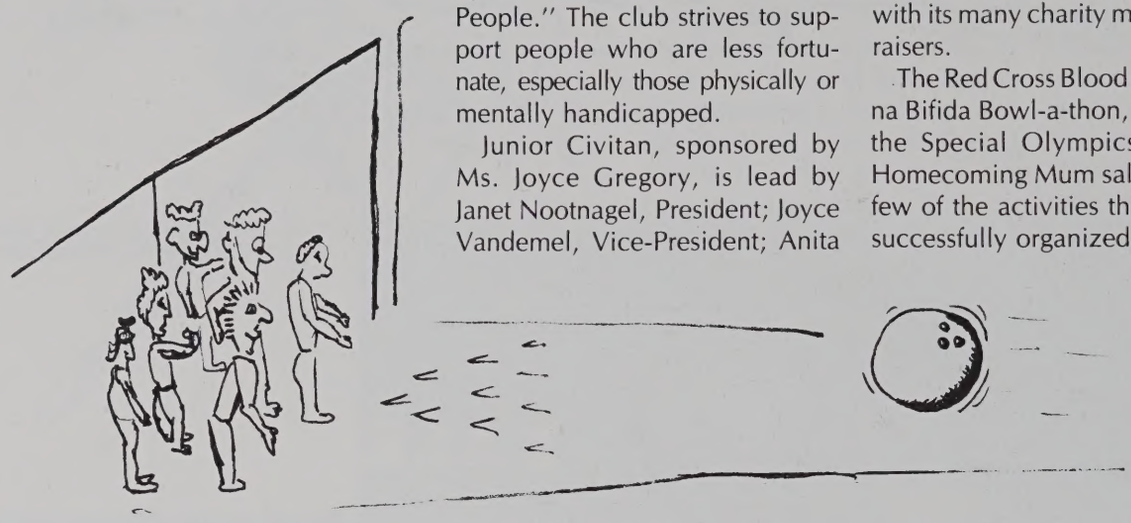
# Service with a Smile

The Junior Civitan is a service club which trains its members to become involved in the school and community, faithfully living up to its motto "Civitan Helps People." The club strives to support people who are less fortunate, especially those physically or mentally handicapped.

Junior Civitan, sponsored by Ms. Joyce Gregory, is lead by Janet Nootnagel, President; Joyce Vandemel, Vice-President; Anita Fuller, Treasurer; and Adela Roxas, Secretary. It is under this leadership that Junior Civitan has made its presence well-known throughout Kellam High School with its many charity minded fund raisers.

The Red Cross Blood Drive, Spina Bifida Bowl-a-thon, its work in the Special Olympics, and the Homecoming Mum sale are just a few of the activities this club has successfully organized this year.



Junior Civitan members will do anything to help out the handicapped.

Excellent in service to the school and the community, the Kellam Key Club strives for uniqueness and for variety in its fund raising projects and services.

This year special projects include the Mr. Weiss run for Special Olympics, which was a huge success, and Blind Bowlers. We have helped the Mother Seton House for runaway girls, Children's Hospital of the King's Daughters and UNICEF.

We have support from the local chapter of the Kiwanis who help us with major events such as the booth at the Neptune Festival. The motto and goal this year is "Man-hours for Mankind." Officers this year are Karen Jackson, the ever-dedicated President; David Gillikin, our super Vice-President; our typing wiz secretary, Corinne Baby Albano, and Glen McClanan, our there but forgotten treasurer. We give thanks to the kind support and witty remarks from Mr. Eib, our kind Sponsor.

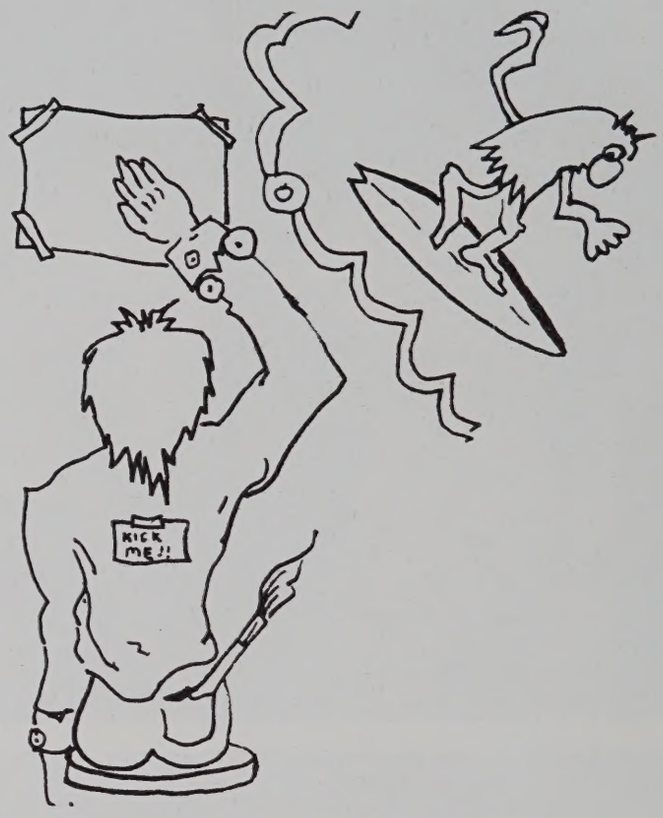
## Kellam's Creative Artisans



The Literary Art Magazine exists to publish the annual school magazine. In order to insure that at least one student oriented publication is made available for sale during every school year, the Literary Art Magazine staff votes or appoints qualified leaders who assume this responsibility. The hiearchy of the Literary Art Magazine is framed in such a manner that provides for the positions of Managing Senior Editor, Senior Editor, and Co-ordinating Executive Art Editor.

# THE COMPUTER CLUB

When Mr. Worrell, our sponsor, returned to Kellam after a short punishment of teaching at a neighboring school, he revived the Math/Computer Club. The purpose of the Club is to promote rapport between the teachers and students and the computer and to help students with weak math areas. The Club is especially proud of two activities that ran all year, recycling soda cans and a math tutorial service providing help for those students in math classes and taking SATs and Achievement tests. The officers this year are Debbie Carroll, President; Corie Gochicoa, our busy Vice President; William Harvey, phone-calling and note-taking Secretary; and Melinda Cartwright, our Treasurer. Our fund-raising goals include buying the Math Department another computer for the Computer Room or software to be used by both teachers and students. The Club is open to everyone, with or without computer experience of math expertise.

# KELLAM FORENSICS AND DEBATE

The **Forensics Club** encourages its members to express themselves verbally in the categories of prose, poetry, original oratory, extemporaneous speaking, and spelling. Our sponsors are Mrs. Trainor and Mrs. Sciortino. Our officers are as follows: president, Alan Lattimer; vice-president, Mike Aaglan; secretary, Heather Barclay; and treasurer, Matt Miller. Every year we participate in several invitationals and one culminating tournament.

**FORENSICS Row 1:** Arcel Castillo, Dawn Uyak, Ms. Trainor (Sponsor), Heather Barclay, Mike Aaglan; **Row 2:** Pat Gough, Chris Coneeney.

For those students of Kellam who enjoy intellectual pursuits and non-combat competition the debate team has provided an activity which some members would even go so far as to describe as being "fun." But debate is so much more than having a good argument — the debaters learn about a relevant national topic, and enhance their organization and public speaking abilities. Consisting largely of new members and coached by Ms. Self, the team got off to a good, although late start, and are working for an even more productive season next year.

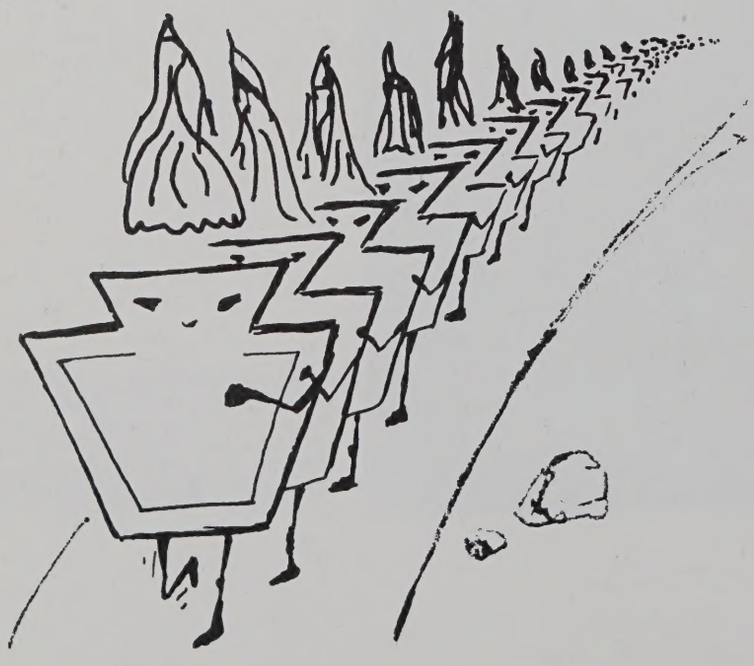
# NATIONAL HONOR SOCIETY AND MONOGRAM CLUB

The NHS, sponsored by Mrs. Mary Chappell, is an honor club made up of the scholastically outstanding students of Kellam High School. The ideals stressed by the NHS are those of character, scholarship, leadership, and service, which must be met by all candidates before acceptance into membership.

The activities of the NHS this year have been joining the SCA and promoting a successful leadership workshop, recognizing an outstanding student for the Citizen of the Month award each month, and promoting service programs within the school.

The members of the NHS are leaders of their classes, outstanding students who excell in all areas, and the officers who lead them are Dana Craig, President; Adela Roxas, Vice-President; Robert Mina, Treasurer; and Kathy Nolan, Secretary.

**NHS — Sitting:** Kathy Nolan (Secretary), Adela Roxas (Vice-President), Dana Craig (President), Rob Mina (Treasurer); **Row 1:** Dawn Mayo, Valerie Rosenhauer, Linda Schultz, Michelle Hudson, Theodore Bugtong, Alan Lattimer, Anita Fuller, Angie Dinger, Dawn Uyak; **Row 2:** Celia Burnett, Natalie Russel, Cherie Singleton, Dana King, Brenda Myers, Lisa Gluck, Angela Ruck; **Row 3:** Clin Carroll, Anne Gormly, Mary Hancock, Corie Gochicoa, Kacina Goffigan, Kathy Rockefeller, Glenn McClanan, Mike Marrero, Mary Davis, Arcel Costillo, Dan Stickhouse.



What an intelligent crew.

The purpose of the Monogram Club is to promote Christian fellowship among athletes and fellow students of Kellam recognizing and honoring athletes of Kellam who have earned a varsity letter and giving assistance to the Department of Athletics. The Monogram goal this 1984-85 school year is to build a bigger Hall of Fame.

# MADRIGALS AND THE DRAMA CLUB

The Kellam Madrigals, more than just another choir, are the top performing group in the chorus program. The purpose of the Madrigals is to achieve and maintain a high musical standard through application and performance of different musical styles. This year, the Madrigals showed their talent in two major concerts, Christmas and Spring. They also performed in numerous places within our city. Besides giving concerts, the members face up to three competitions each year, depending on their grade level. Regional Chorus Auditions are for sophomores through seniors; this year, Kellam had 22 students accepted. All-State follows Regionals for juniors and seniors; this is a more prestigious chorus. Honors Choir is third, and it is for seniors only. The competition is high and Kellam was honored by having Tim Tourbin accepted.

This year was a special year for the Kellam Madrigals. Ms. Jessica Scarangella served her first year as Choral Director at Kellam. A graduate of East Carolina University with a major in Music Education, she went on the earn her master of music in Piano Performance from Westchester University. She has performed professionally at the World Trade Center, Old Cavalier, Holiday Inn and Sheratons, and with her own band at the Harbor Fest. She was also music director at the Tidewater Dinner Theater for awhile. Ms.Scarangella earned a lot of love and support from her students. The Madrigal Seniors of 1985 would like to wish the coming singers luck in the future.

**CHORUS Row 1:** Ms. Scarangella, Carmenza Llano, Jennifer Murray, Tom Maran, Jo Ellis, Kim Followell, Sherry Hilbert; **Row 2:** Lisa Tourbin, Heather Barclay, Dache Wiggins, Chris Tomberlain; **Row 3:** Alisa Hilbert, John McShea, Jeff Gregory, Thom Barlow, Audrey Snow, Renay Blount, Connie Truong.

**MADRIGALS Row 1:** Alex Davis, Tracy Nobles, Penny Miller, Debbie Brown, John Barton, Missy Adams, Vicky Campbell, Valerie Rosenhauer, Leticia Adan, Melissa Osborn, Joyce Jones, Ms. Scarangella; **Row 2:** Stephanie Snowden, Donna Denune, Tim Tourbin, Georgia Winfree, Deidre Williams, Christina Richardson, Kim Guthrie, Janet Terrebrood, Samantha Smith, Stephanie Northern; **Row 3:** Lisa Boydston, Susan Froman, Nancy Eaton, Mike Aaglan, John Carswell, Jeff Howard, Andre Cason, Dorie Gilbert, Selina Stillinger, Temple Smith, Wendy Middleton.

The Kellam High School Drama Club serves to provide and improve theater arts in school, and also assists and advises in activities on the stage and in the auditorium. The many productions each year provide the students with an opportunity to participate and work with theater arts. The fall production this year was **Up the Down Staircase.** The spring musical was **The Wizard of Oz.** The club produced the Variety Show and, new this year, the Miss Kellam Pageant.

The Thespian Troupe is an honor society. Through hours of participation in the performance and technical aspects of theater arts, a student may earn enough points to become a Thespian. In November, the troupe attended the Virginia State Thespian Conference, where they performed **The Stranger.** In June, the Thespians will have the opportunity to attend the week long International Theater Arts Conference in Muncie, Indiana.

The officers for both clubs are Valerie Rosenhauer, President; Stephanie Northen, Vice-President; Temple Smith, Treasurer; Tracy Duggan, Secretary; and Wendy Middleton and Brian Jones, Reporter/Historians. The club sponsor is the very dedicated and very tired Ms. Tamara Greb.

Last years performance of **ONCE UPON A MATTRESS** was a huge success.

# 'NEANDERTHAL' STYLE STILL THE VOGUE AT KELLAM

This was one of the many headlines featured in the Beacon section of the Virginian Pilot and The Ledger-Star newspaper as the Knights worked toward landing the Virginia Beach District Title (along with Green Run) and securing a berth in the Eastern Regional Play-offs. The Kellam Knights plastered the front page of the Beacon throughout the 1984 football season. Underdogs from the start, the Knights worked long and hard to finish the season with an 8-2 record.

The Knights capabilities were realized after the upset of defending Beach Champions Kempsville with a score of 14-7. Joe Matyiko said a mouthful that night when he stated, "I think this is the turning point that will put Kellam on the map." The Kellam offensive surge was astounding that night, and they continued . . .

After boiling the Bayside Marlins with a final score of 33-6, Kellam went on to wash out Green Run with a 21-7 victory. The Knights held the Stallions scoreless in the entire first half, allowing only one touchdown in the third quarter. This was quite an event since the Stallions had never before lost to the Knights.

While the offensive line scored the points and obtained the first downs necessary to win the game, the solid Kellam defense prevented the opposition from doing the same. The

basic fundamental skills of the faithfully consistent defense earned them not the fame of the highly publicized offense, but kept Kellam in contention for the Beach Title by holding back the noted and often intimidating offenses of Kempsville, Green Run and First Colonial.

Down in the trenches behind the defensive tackle, Todd Smith and Rick Williams, along with underclassmen Mike Porter, Shawn Kopaczewski, Paul Langrehr, and Dan Lenowski, held tight. Kellam's defense dominated Kempsville's offense to limit the Chiefs to just 45 yards rushing in 33 attempts. This achievement would have been in vain if it were not for the ability of the Kellam offense to move the ball at will.

Kellam's offensive line had more yardage passing and rushing than any other team in Tidewater. Starting the air attack with the snap, Robert Woodhouse zeroed the ball into the hands of quarterback Joe Matyiko, who proved himself worthy of several honors this season. Jeff Fuller, Mike Kinzel, and David Stradley made several game-saving catches which would have astonished the greatest of magicians.

Most of the ground points were made by the Beach Surprise of the Year John Granby. This would not have been possible if not for the talents o linemen George Heitman, John Matyiko, and Travis Matyiko. Mike Culliphe was the main hole buster for the running game, enabling Granby to finish th season with 1030 yards and nine touchdowns, obtaining the title of leadin rusher for the Tidewater Area.

Matyiko and Granby were quite the pair this season; both made the Firs Team All-Beach, All-Tidewater, All-Region, and Joe Matyiko went on t make the All-State Team.

# KELLAM TAKES TO THE FIELD

Kellam's Field Hockey team used the motto "We Scored More in '84!" on the way to a winning season with a District record of 8-4 and an overall record of 10-5. This winning record allowed the team to advance to the Beach District Tournament. Unfortunately, the girls lost a very close contest to Kempsville 3-2.

This season has been a record building one for the players with the total number of goals at 31 and the total number of assists at 11. Diane Brown and Patty Boyle were the high scorers with eight goals each, and Diane Brown had the most assists on goals.

Not only was the '84 season very successful, but with 16 returners, the team should be strong for the next two to three years.

This year's outstanding senior members were:

Renee McPherson (captain)
Arnetta Bowie (captain)
Jennifer Clark
Georgia Liguid
Patti McCulloch
Kym Sims

The juniors who started include Cheri Singleton, Diana Filo, Laura Felch, Diane Brown, and Patti Boyle.

These field hockey members have lots to smile about.

# A REAL ADVANTAGE

The goal this year for the girls tennis team was to improve last year's record of 1-11. They did this by finishing 3-9. Their highlight this year was the defeat of Green Run after suffering an early season loss to them. The other two victories were both over the Princess Anne Lady Cavaliers. Although seniors Adela Roxas, Tricia Lesnivich, Kris Brinkley, Agnes Peregrino, Jackie Cassidy will be sorely missed next year, Coach Weiss said that the Lady Knights are loaded with talent in the sophomore and junior classes, "and we especially look for Laura Crigger to give us some big wins next year. The 1985 season should show even more improvement than this years, and with five out of six top singles players returning, Kellam will most likely move up in the district standings."

# THE KELLAM GOLFERS

The Kellam Knight Golfers had a very good season, winning six out of nine of their matches overall and ended up 3-3 in the Beach District. Practices and matches were held at Bow Creek and Red Wing Golf Courses.

Practices were what decided who would play in the matches. The golfers split into groups and played a round of golf. After that, they turned in score cards to Coach Caruthers who then decided the starting positions.

The golfers practiced from 2:30 until 7:00 every day after school. The most valuable player was a junior, Mike Southworth, who had a 78 average. Other key players included Joe Bernat, Sean Barnes, Tom Lamonaco, and Steve Esposito.

# THE KELLAM MATMEN INVITE ALL COMERS

Kellam Matmen enjoyed a winning season, compiling an overall season record of 9-7 which left them in fourth place in the district. Coach Kevin Michaels had high hopes for the 1984-1985 season, and even though many problems cropped up at the beginning of the year, the team did well.

Some of the problems included wrestlers choosing not to wrestle, not to lose weight necessary to qualify, injuries, and the fact that transportation is not a simple task at Kellam. To overcome these problems, Michaels put higher goals and bigger expectations on the wrestlers that he had.

Michaels hoped to win a half dozen matches, but with a tough and scrappy team, Kellam won nine games overall and ended up 3-3 in the District. Kellam as a team lost only to Kempsville, Cox and Green Run. Another goal was to win the state title and to become state champs. Kellam is on its way to building a winning tradition.

Outstanding players on this year's team include Richard Ostrea who was fifth in regionals with a record of 16-6. Senior David Lenczwski finished with a .500 record, an excellent accomplishment after a two-year layoff. Another senior, Gary Lent, also won a couple of matches this year, another act of merit considering this season to be his first in the toughest district in the state.

Wrestlers that contributed to the team were many, but eight advanced to the regionals. They included Chris Moran, Brian McKinney, Richard Ostrea, Jef Beavers, David Lenczwski, George Wynn, John Matyiko, and of course, Joe Matyiko. In the regionals, Richard Ostrea won fifth, John Matyiko won second place to the eventual state champ, and Joe Matyiko was regional champ, pinning his opponent in thirty-nine seconds.

The Matyikos advanced to the state finals and had a great deal of success. John advanced to the finals, and lost to the same foe who stole the regionals from him. Joe Matyiko fared better in the states, making his record a perfect 65-0 with an impressive victory in the state finals.

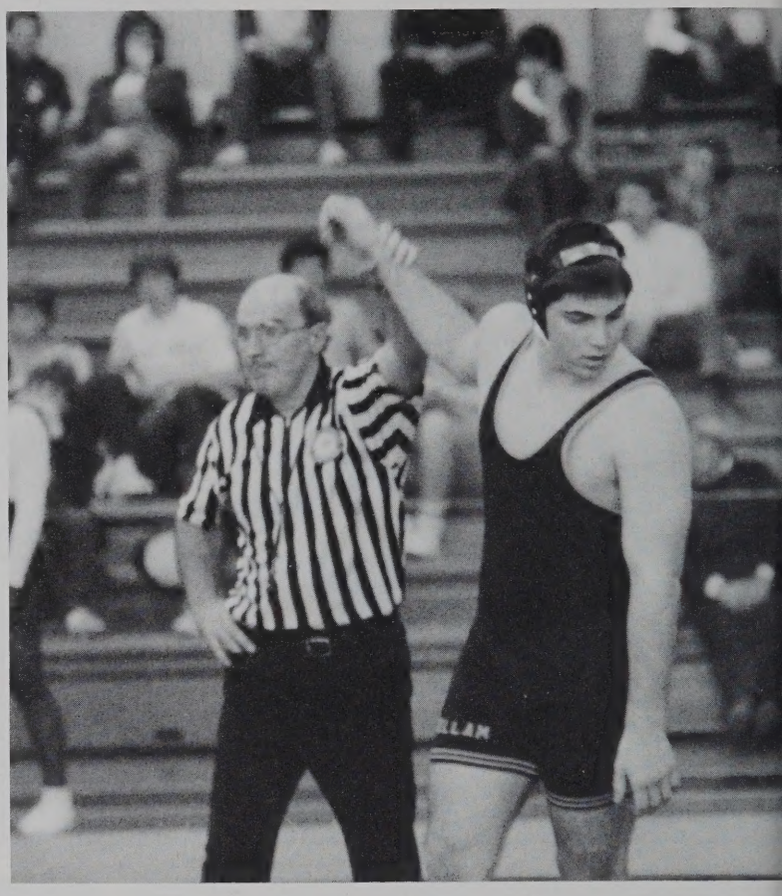
# JOE AND JOHN MATYIKO ARE BRILLIANT

The word used to describe Joe Matyiko this year was "valuable." Though relatively small in build, Joe has the attitude and the record of a winner. A team leader, Joe used his talents to bring the 1984-85 football team to an uncommon number of victories. He accomplished the incredible personal triumph of obtaining a high school wrestling record of 65-0.

Joe Matyiko is the first athlete in nine years to make the first team all-state football team. "He has a rare motivation and solid confidence that is never lost. He shared his knowledge with those less experienced to carry the Knights to a beach district championship." Coach Harper Donahoe stated that Joe shares his ideas with other team members. "In the huddle, they will listen to Joe or pay the consequences. Those little sophomores. They will learn that if you don't listen, Joe will hit 'ya."

"Joe would not have the success he obtained this year without a good solid team to support him. Had we not captured the beach district title, Joe probably would not have made the all-state football team. He knows that." A football scholarship to Virginia Tech is the result of his effort.

Wrestling coach, Kevin Micheals, was pleasantly surprised when he received wrestler Joe Matyiko as a sophomore. "Joe plays to the crowd; when the pressure is on, and the crowd is restless, Joe seems to increase his strength ten times to give the crowd exactly what it expects — victory."



John Matyiko's victory declared in the dual meet.

# MOVE UP THIS YEAR WITH VICTORY

**Row 1:** Mark Kinzel, Richard Davis; **Row 2:** John Granby, Jesse Heath, Ken Speller, Brian Goffigan, Tony Cheracles, Tom Grimes; **Row 3:** Danny Holmes (manager), Coach Strausbaugh, Charles Midgett, Melvin Speight, Bob Holcomb, Darryl Turner, Darren Creekmore, Coach Caruthers.

The young, inexperienced men's basketball team with only two returning players developed into a unit that made outstanding strides as the season went on. Coach Joey Caruthers had beaten last year's record of two wins very early in the year and continued to take a team chosen to finish last in the district to a fourth place finish.

None of the team members felt much pressure in beating last year's record, but the pressure came up when it came time to win entry into the Districts. However, with a big 60-50 victory over Bayside, the Knights advanced into tournament play.

Outstanding players this year included seniors Bob Holcomb and Jesse Heath, both of whom contributed greatly throughout the season. John Granby and Darren Creekmore added youth and depth as sophomores. As center, Darryl Turner was as good as anyone in the District for the last six games.

Contributors from the Kellam bench were Melvin Speight, Tony Cheracles, Mark Kinzel and Richard Davis. The Knights ended up 9-12 overall and 5-7 in the Beach. They were victors over First Colonial, Bayside and Cox, but their most satisfying win was their 57-55 victory over Lake Taylor.

Another team with a bright future at Kellam appears in our basketball team. There will be three returners, and four others who have contributed. A good nucleus leaves the team with a strong chance for a high finish next year.

# AS THEY COME OUT WITH A WINNING SEASON

Girls' Basketball this year really had a positive impact on students after taking third place in the District with a record of 7-5 in district and 12-8 overall. This put Kellam eighth in all of Tidewater.

Teams that Kellam defeated included Bayside, Kempsville, who was undefeated at the time, Princess Anne, First Colonial, and Green Run. Coach Jim Morris was very proud of the girls' performance against these outstanding teams.

Of course, all of the girls who participated were outstanding because they were part of the team, but some exceptional players were Anita Fuller, Laura Felch, Theresa Jones, Arnetta Bowie, and Renee McPherson. It took the whole team to produce a winner and that is something of which the girls can be very proud.

Only three girls will be lost next year, those being Anita Fuller, Renee McPherson, and Arnetta Bowie, but Coach Morris predicts that our upcoming team has a sure spot in the tournament next year.

"You know what you've got to do." These are the words of new assistant coach Mr. Schmitter. Under the guidance of Head Coach Debbi Strausbaugh, senior Dawn Mayo led the Lady Knights to the best gymnastics record in five years.

The only senior on this years team, Mayo co-captained the team along with junior, Lori Spencer. Promising newcomers were Pam Snyder, Leslie Hatfield, and Amy Brewer. Wendy Adams and Dena Kern were consistently valuable on the team as veteran juniors.

A new record was set by the team in 1985, a team score of 93.15 which made Coach Strausbaugh very happy.

# INDOOR TRACK GAINS PRIDE

Indoor Track in the 1984-1985 season exceeded expectations. The boys' team ended up 2-4 in the District, taking fifth place. The girls fared better by taking third place with a 4-2 record, being beaten only by First Colonial and Cox.

The outstanding boys included John Murray at 1000 meters, the mile and two miles. Roger Hill won almost every race in the dual 500 and 300 meter races. Bryan Goode placed fifth in the regionals in the 300 meters, tenth in the state in 300 meters, and qualified for the finals in 55 meters.

Richard David added depth in the triple jump, the long jump and as a sprinter. Raul Bercovitz rounds out the field as an excellent addition on the 500 and 1600 meter relay.

On the girls' team, Michelle Arnold won many races in the 1000 meter, the 3200 meter and the mile. Tracy Haynes excelled in the hurdles and jumping events. Michelle Reynolds won fifth in the state in the 55 meter race. The 800 meter relay team was also very good.

Next year's team should be very competitive. Few seniors are graduating in 1985 off of the team, and several top-notch sprinters are returning. Good distance runners and shot-putters are coming back. Mr. Graham, in an optimistic mood, stated that the Kellam track team has the potential to be the best in the city in 1985-1986.

# KELLAM BASEBALL PREVAILS

This year's baseball coach is familiar on the football scene, but is making his debut on the Kellam baseball field. Coach Jimmy Dinardo looks forward to a strong team in 1985, one he thinks will rival the best in the district.

Bobby Litton, one of the best pitchers in the area, returns to climb the mound. He hopes to lead the Knights to the State tournament, but will settle to beat last year's record. Others who will round out the returning players include Mike Cullipher at first base, Brad Smith or Mike Kinzel at second, Tony Cheracles at shortstop, Mike Soutworth at third, and Paul Schwarz in the outfield.

Last year the team beat everyone in the District at one time or another. The strong teams are Green Run, First Colonial, and as always, Kempsville. It will be a very close race in the Beach in 1985.

# KELLAM SOFTBALL WINS AGAIN

Coach Dorothy Durant was pleasantly greeted this season with a slew of talented sophomores to join her already tough contending team. Leading the Lady Knights as seniors this year, Anita Fuller and Agnes Peregrino guided the team along the road to success. They showed the young rookies such as Pam Floyd, Jessica Epstein, and Gena Fetters how to further perfect their talents in order to give every team they played a run for their money, many times ending in victory. The 1985 Kellam juniors also made their presence known on and off the baseball diamond. Last year's All-District Honorable mention shortstop, Laura Felch joined other juniors Debra Ethridge, Kim Costello, Christine Bowman, and Lisa Bemiss to create a very close-knit team that constantly strived for victory. The Kellam High School Girl's Softball Team walked away from the 1985 sports season with flying colors. Black and Gold.

# ARE ALL A PART OF BOY'S TENNIS

Kellam's boy's tennis team, headed by Coach Jim Morris, is on its way to becoming one of the top competitors in the Beach District. Out of the top six people this year, four are veterans from last year with good experience.

There are three bonafide good tennis players: Chris Meissel, who is one of the best three players in the District; junior Joe Meissel; and sophomore Steve Esposito. Two of the other three, Mark Gorsky, and Clifford Maher, have not been tested. Tom Lamonaco rounds out the top six, so there is a possibility of an excellent team.

Tennis at Kellam has come a long way in the last couple of years, and is still expected to grow stronger. As of right now, Coach Morris sincerely feels his team should secure a spot in the top three or four teams in the Beach District.

# THE BOY'S SOCCER TEAM GETS THEIR GOALS EVERYTIME

Danny Crafton, along with other senior soccer players, led the Knights to a close of the 1984-1985 sports season with a lingering thought. Without the guidance and teachings of Coach Mike Benzel, this feat would have remained an unattainable goal. Senior Steve Cobb and junior Brad Alexander also brought veteran experience onto the field this season, showing the promising rookies of the Kellam High School Soccer Team how to get the job done properly.

A very surprising newcomer was Allen Brock. The uncertainty of Steve Cobb's knee cost Coach Benzel much distress until the lucky discovery of goalie talents buried in an enthusiastic sophomore. Borrowed from afar, Spanish exchange student Raul Bercovitz was able to share the benefits of Spanish soccer with that of the Knights. Deon Austin, Todd Champ, and Steve Cunningham made considerable contributions of their own.

Teamwork, combined with talent and an intense desire to win proved to pull the Kellam soccer team through many tough contests in the 1984-1985 season. At the beginning of the year, Coach Benzel predicted that the team had the capacity and potential ability to take any opponent in the District to the wire in competition.

In soccer, as in the rest of Kellam sports, the students are beginning to build a winning tradition. Athletics and winning are becoming synonomous, and all Kellam sports are "winners."

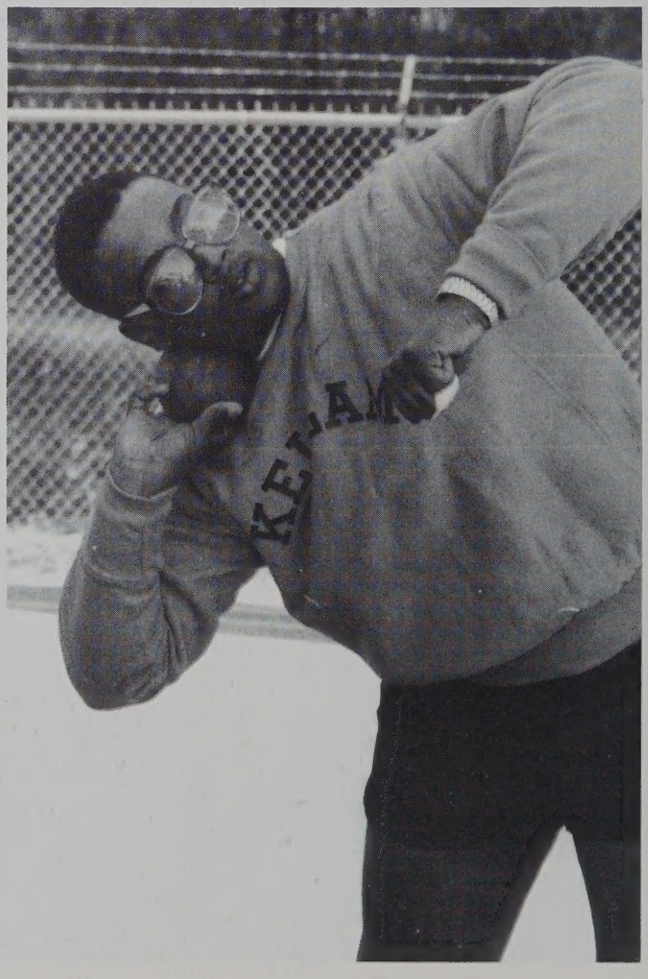
# COMING ON STRONG!

This year, the girls' track team has some very high hopes. Kellam has tough contenders with Cox and First Colonial, but Kellam hopes to finish in the top three in district this year. Kellam is looking to have the best record in girls' track in five years, under Head Coach Cannon. Hopefully, a few of its members will also go to state.

The boys' track team is looking strong also, with Coach Graham leading. This team has a strong nucleus of sprinters and hurdlers. Its weight men, discus throwers and shot putters are also shaping up. Most notably, Kellam has strong contenders in the beach in long distance running — led by John Murray and Mike Poole.

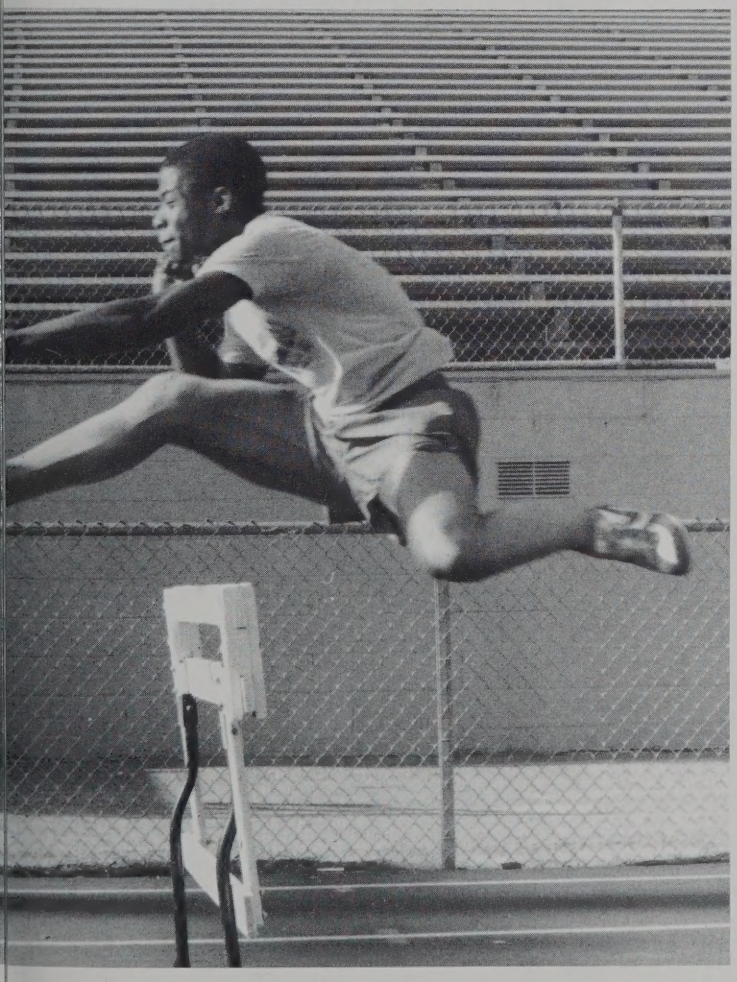
In synchronicity over the hurdles.



Marcus Gregory gets ready to throw the shot.

Michelle Arnold and Karen Merkel run a lap.

The Lady Knight Tracksters flash their smiles.



Richard Davis flies over the hurdle.

Bryan Goode takes the baton from John Granby.

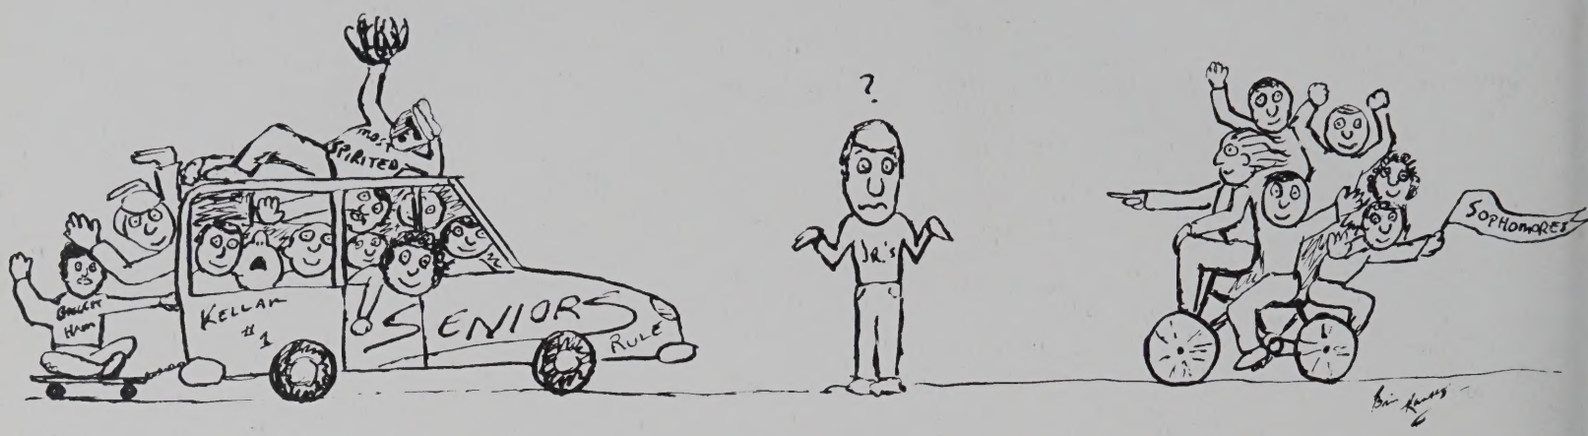
*Looking forward and back, the juniors find themselves*

# IN THE MIDDLE OF THE ROAD



The juniors often get mixed in the shuffle between the awesome seniors and the . . . young sophomores. The sophomores are expected to be lost and the seniors move the really big things, but **who are** the juniors?

The juniors are a great asset to clubs, sports, and many other activities throughout the school. If a helping hand is needed, they are always there to lend it. Kim Black, Junior Class President, led the juniors to an incredible Ring Dance through many fundraisers. Other juniors bring attention to Kellam with their efforts in band, football, and numerous other activities.

The juniors may not be at the top of the ladder, but they know their time is coming!

# SOPHOMORES

*by Matt Miller*

The 1984-1985 school year at Kellam for sophomores has proven to be one outstanding accomplishment, and in many ways, a year of dedication and pride for our school and the people involved.

Sophomores at Kellam have a high morale about learning and extra-curricular activities. Perhaps morale is strong because our school has such a varied curriculum. Any student can participate in many activities both in school and after.

The nervousness of the first day of high school was calmed by the friendliness of upper-classmen who shared their experiences with the sophomores.

The S.C.A. helped to clear up some of the worries the sophomores faced by presenting a "Sophomore Orientation" close to the beginning of the year. They performed skits, urged us to be involved, gave us a lecture concerning our involvement in school activities, and answered any questions we might have had.

Although the student council must have felt they were not getting through to us by the looks of bewilderment on our faces, I know that we all felt a sense of pride toward our school's leaders.

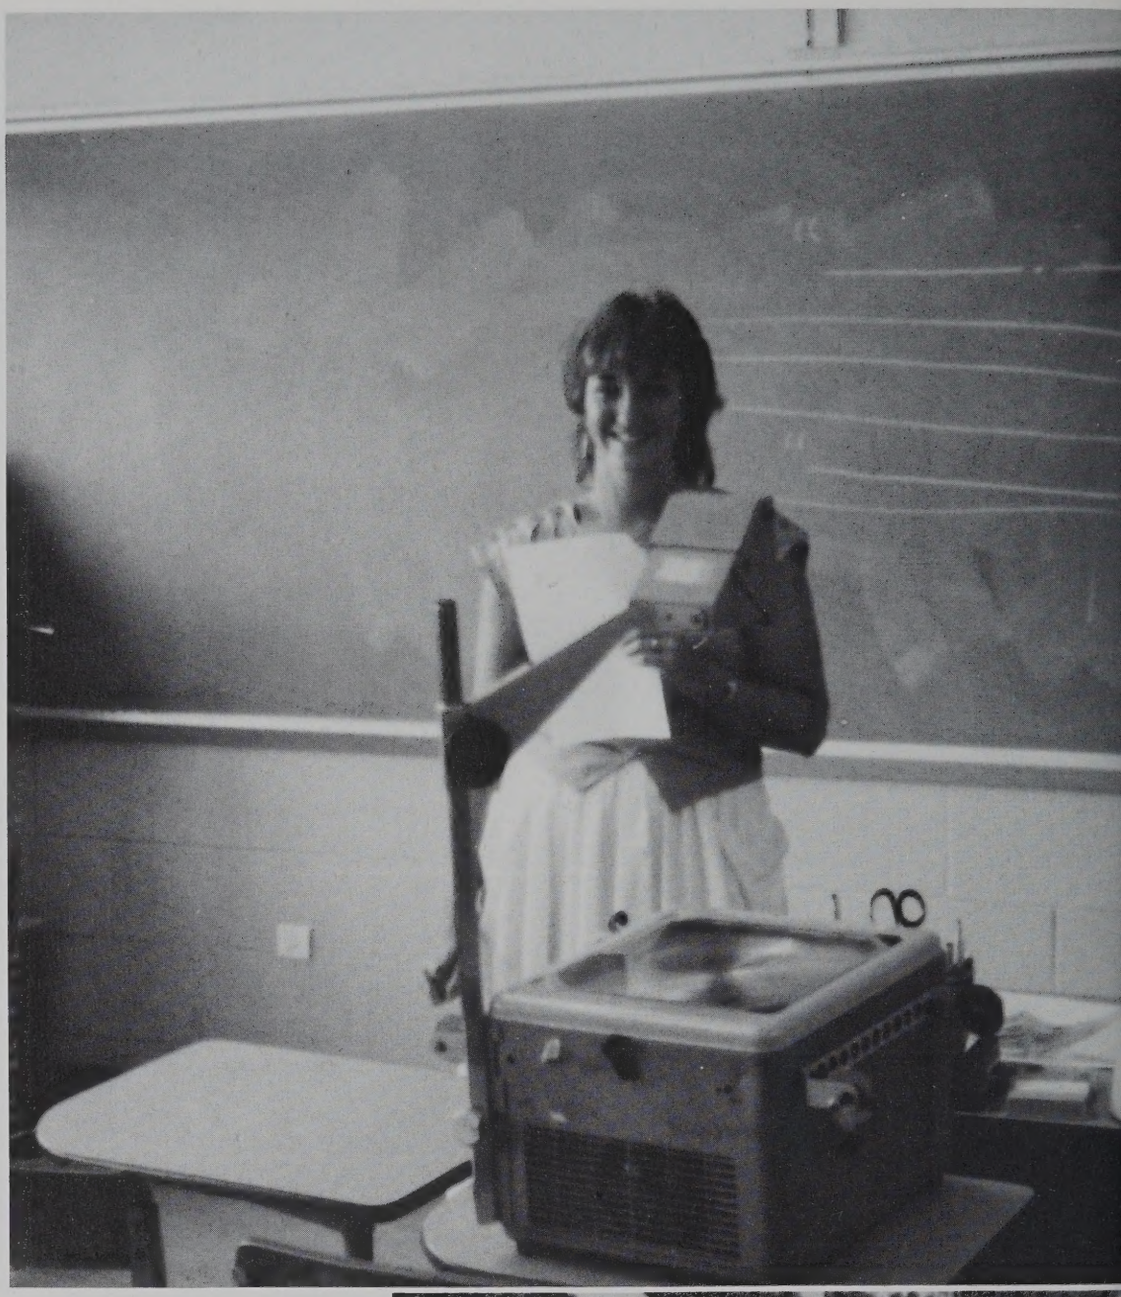
School leaders came not only from upper-classmen and members of the student council; many sophomores have proven to be future potential Kellam leaders in their participation in sports.

Sporting events add to the spirit and morale of Kellam High School. It acts as "frosting on the cake" for most people in that it gives students the wonderful feeling of competition, and for this year, a magnificent feeling of victory. Sophomores were a part of this victory and shared all of the glories that the upper-classmen felt. These victories and achievements will stand long in the hearts of those who felt them, and may one day determine many careers long after they leave Kellam.

High school is definitely a step up, if not a bound, from junior high. New things such as maturity, cooperation, and respect were practiced by the many sophomores and seemed to pay off in the long run. We knew we were young adults, not children.

After the newcomers settled into a new learning refuge, the thought of our "First Day Jitters" seemed a quite humorous thing of the past. Sophomores reunited with old acquaintances from their previous schools, and many new friends were easily made.

An important factor that determined a sophomore's grade would be none other than the teacher. The teachers at Kellam are the ones who give the students the knowledge that will have an effect on the rest of our lives. Sophomores may not realize at times, but one day everyone will look back and remember them as the "the people who allowed us (the sophomores) the learning experiences that shaped our future."



Ms. Kerr finds herself engrossed in sophomore life.

# TYING THINGS TOGETHER

Ms. Boomer, Secretary

Ms. Forsythe, Head Secretary

Ms. Sears, Secretary

Ms. French, Bookkeeper

Ms. Barrett, Guidance Secretary

The secretaries, the librarian, the nurse, and the bookkeeper are always there with a smile to come to the rescue of students, teachers, and even parents. Head Secretary Ms. Forsythe can be found busy behind her desk in the office. Joining her are Ms. Sears and Ms. Boomer, who are always willing to give information on everything from the days students have no school to where to find Mr. Ammons (and this is **valuable** information)!

Head Librarian Ms. McCoy, Ms. Rister, and Ms. Northen are other friendly sources of information. These women have helped many students find information for their term papers, and even how to use a video recorder. Ms. Rister instructs anyone who wants to know how to operate the equipment located in the library, such as the ever-complicated film projector. Ms. Northen will take payments for overdue books and dig for change so students can copy information or pictures from books or papers.

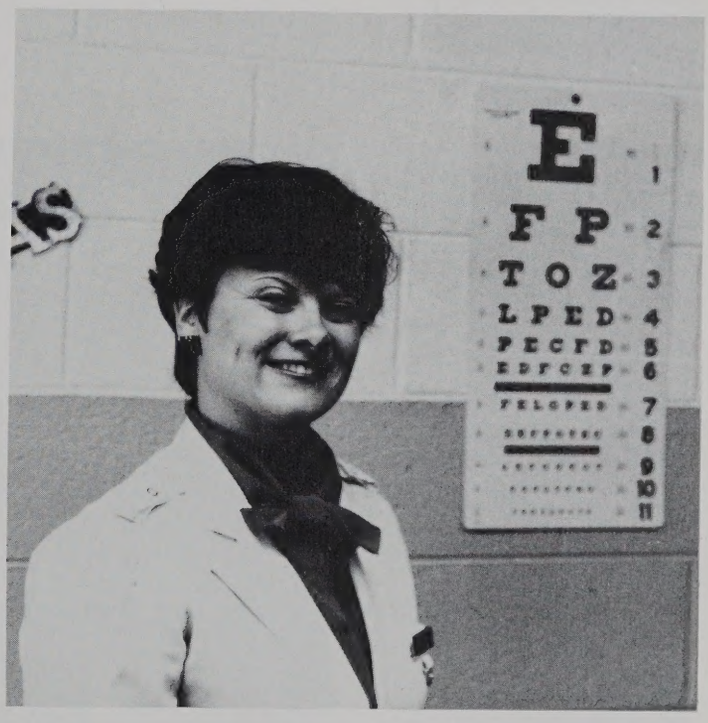
If a locker ate one of these books, as they so often do, then Ms. French is the person to see. She has given out many receipts, and almost as many copies of those receipts since lockers seem to like the receipts even more than the books.

Right behind the bookkeeper's office is the clinic. Mrs. Kowalski will lend her support and sympathy if students are feeling a bit under the weather, or just have a problem and need someone to listen; she's always there. Students feel better as soon as they see her warm caring smile.

This large group of ladies are in contact with every single person in the school at one time or another during the year. They are truly indispensible.

Ms. Rister, Librarian

Ms. Northern, Librarian



Ms. Kowalski, Nurse

# THE INNER CIRCLE

Whenever there is a problem, whether it be major or minor, the guidance counselors at Floyd E. Kellam High School are always there to lend their support and assistance. They help students prepare for the future, which is just around the corner.

Elizabeth Predmore, director of the guidance department, oversees all activities that occur in the school daily. She is available year-round to give help to anyone requesting it. Steven Eib is the coordinator of all the testing for Kellam students, such as SRA testing, advanced placement testing, and the all too important Scholastic Achievement Tests. Helen Mitchell is in charge of scholarships and all financial aid for students planning to attend college. Need any information on the future of botanists, or policemen, or even lawyers? Then the person to see is Ms. Heidi Marks, she has plenty of information on a variety of careers. Mr. Robert Setzer prepares young males and females for a life in the military. Each of these counselors play an important role in the lives of students at Kellam High School.

This group of people is probably taken for granted more than any other members of the staff here at Kellam. While teachers give us information we use every day, counselors advise us about decision making that will affect the rest of our lives.

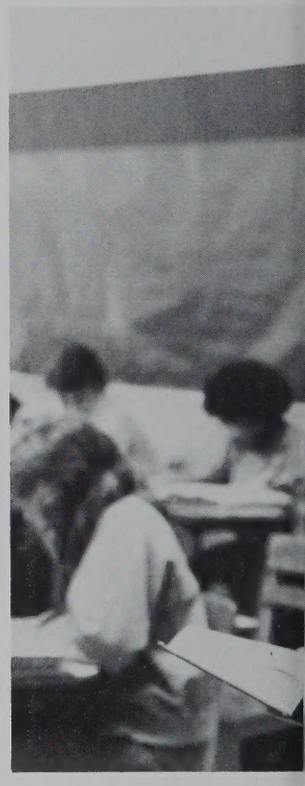
# GETTING TO THE BASICS . . .

Ms. Wadsworth, English 11A

Ms. Sciortino, English 10A, Developmental Reading, Public Speaking

Ms. Smith, English 10A, English 10R



The English staff at Kellam High School is highly motivated. Their creativity is displayed in their work. They have the ability to transpose what would generally be classified as "boring" subject matter into something exciting.

In addition to guiding students as they learn about others, the English staff helps students learn more about themselves. The faculty is concerned with the student as much as the subject. They spend long hours preparing lessons for their classes and even longer hours grading tests and essays.

The English staff is helpful in motivating students to learn difficult concepts and understand problem areas. They have a large responsibility, and meet the challenge with an urgency to teach.

The English faculty attempts to teach so that all students can comprehend the material at hand. They are outgoing in that they attempt to better understand the student.

The English faculty strive to teach the student body writing skills that will benefit them in years to come. Writing is not only important in obvious occupations like journalism and technical writing, but also in fields such as engineering and architecture.

English at Kellam High is a commodity that can not be overevaluated.

# PUNCHING THE KEYS

While no new business classes were added to Kellam this year, the department underwent many major changes. Ms. Lillie Logan was welcomed as a new part-time typing teacher. The department also welcomed two new Radio Shack micro-computers which were made a part of the Accounting II Class, which is now called Business Computer Applications. Ms. Delores Stone, Director of the business department, was delighted to receive new updated typewriters along with the microcomputers.

Distributive Education goes outside of the classroom as students are required to hold a part-time job as a part of curriculum. Jobs include everything from flipping hamburgers and baking potatoes at Wendy's to bagging groceries at Farm Fresh to cashiering at Leggett's. These students are making their futures happen now and put in many long, hard days. Ms. Babb is the coordinator of DECA. Ms. Habit prepares students for a career in fashion, by teaching them how to spot fads and to coordinate a wardrobe which can be appropriate for any occasion.

She also goes into the design of clothes, the use of different fabrics and how to wear these so they look best on your particular body shape. An annual fashion show gives these students a chance to see what kind of work is involved in the production of displaying clothing. Fashion Merchandising students of today are the Calvin Kleins and Liz Claibornes of tomorrow.

Working hard for their money, I.C.T. and V.I.C.A. students study vocational skills under the guidance of Mr. Valentine and Mr. Vanture. They learn to shape hunks of wood into practical furniture or beautiful works of art. Most of these students must attend two different schools each day to receive the education required to excell in their field.

The vast industries of business involve everyone of us every single day of our lives, whether it's working in a factory or managing that factory, this department makes sure students know their business.

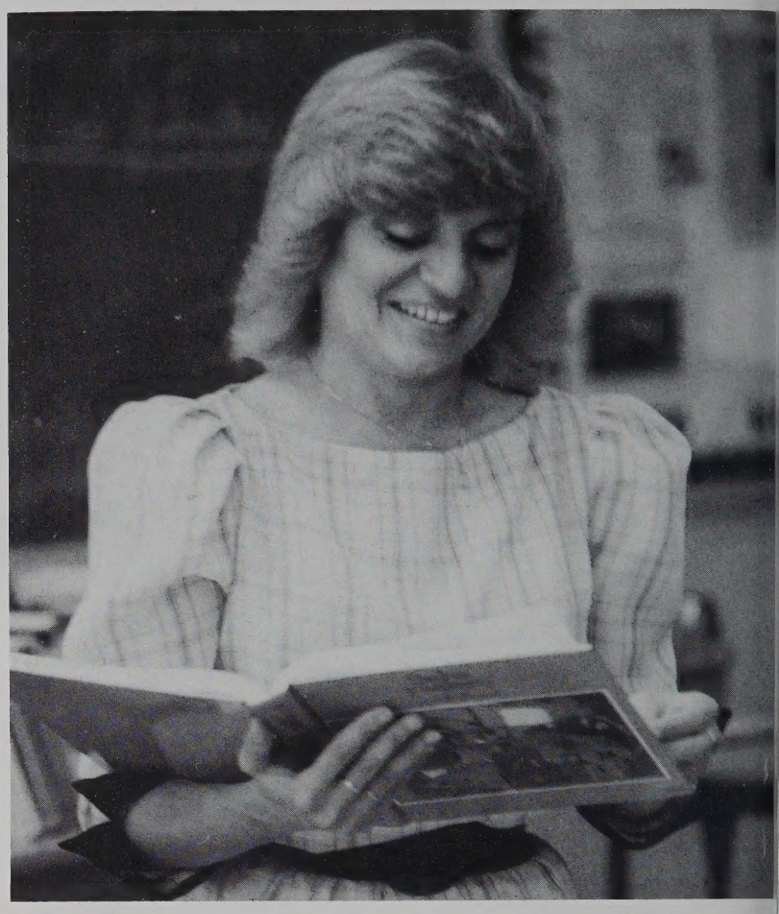
# LEARNING FROM OTHER CULTURES



The Foreign Language Department at Kellam is one of importance in today's world. One of the reasons is that since America is a land of opportunity, we are always accepting people from other nations searching for a better way of life.

Kellam offers a wide variety of choices which include French, Spanish, German and Latin. Except in technical fields, Latin is rarely used, but since many of our English words originated from the Romantic language, it is very helpful in many career areas. Because of the sudden rise of immigration from the troubled nations of Central and South America, more Spanish speaking people have moved into the United States.

America, and Virginia Beach, as a land of promise, must be prepared to help and understand all humans, and possibly relieve them of some of their problems in the first stages of adjustment.

German and French also are also important languages to learn for tourists and many different areas of business. Kellam is proud of its foreign language department and the teachers who helped to enrich the lives of students.

# EDUCATION TOWARD VOCATION

Students who like working with their hands will find a variety of choices to choose from in the industrial arts department.

Metal working, which is taught by Mr. Webb, is mostly a male oriented class for those students interested in working with metals. Mr. Pond teaches electronics, which is a good course for those preparing to have a vocation as an electrician. Drafting and industrial crafts, taught by Mr. Smith and Mr. Corso, is made up of girls and boys who enjoy these courses for entertainment as well as educational purposes. The last industrial arts course offered is wood working, which is taught by Mr. Vanture who is head of the industrial arts department.

The Industrial Arts Club, AIASA, is much more active this year than in previous years. The club had their annual reindeer project in November, selling wooden reindeers as Christmas gifts for ten dollars each.

The research project for January is to build a hoover craft, which is a man carrying craft that floats on air. Mr. Pond and Mr. Vanture are the club sponsors and feel the club is very worthwhile for those interested in industrial arts.

Industrial arts is usually considered a male dominated course, but there are more and more girls taking these classes every year.

Try something new and break away from some of the same classes taken each year.

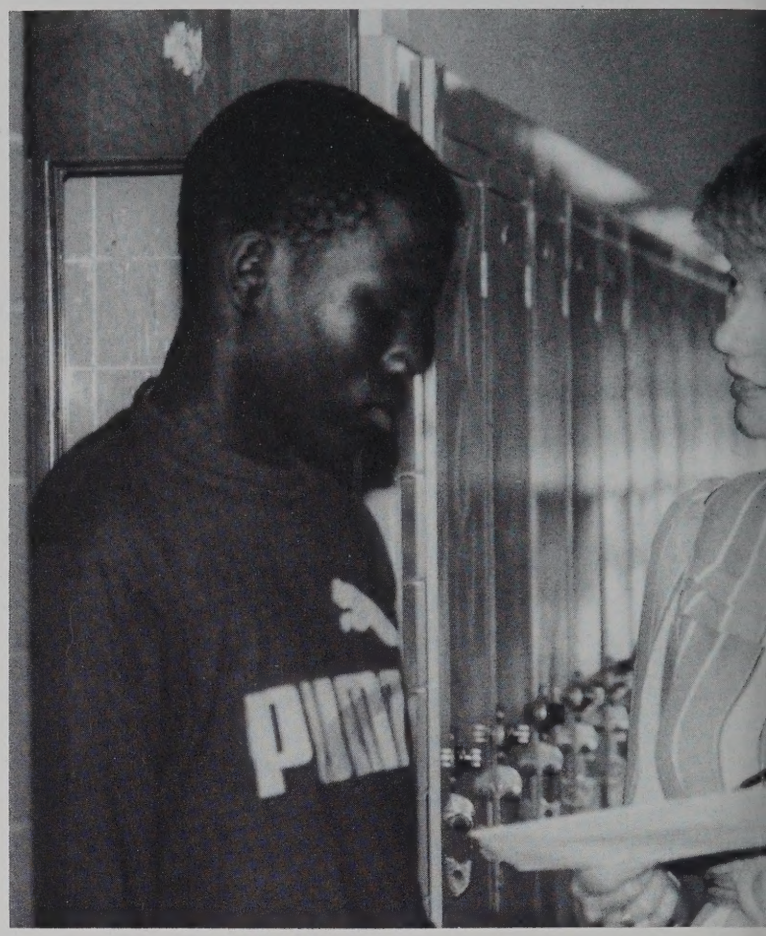
# HELPING OUT WITH SPECIAL CARE

Ms. Sykes, Learning Disabilities



For many years, Kellam has hosted a special education program for students with any type of physical or mental handicap.

Since Kellam offers these programs, all students fitting the requirements necessary to attend the special classes are given the skills to live a fulfilling life in today's society. In many cases, students are mainstreamed into classes with other students.

Kellam is proud to have a program designed to meet the needs of everyone, no matter who he is. This symbolizes the right to learn, and for this, students in return are proud of Kellam.

Special education students are just like everyone else; they just need extra help in certain areas. With this, these students can transcend the label "handicapped" and succeed in their chosen field in life.

Mr. Wilde, Educably Mentally Retarded

Ms. Vincent, Emotionally Handicapped

# KELLAM'S CULTURAL CORNER

Talent in the cultural aspects of high school life are most often shown in the art and music departments. Kellam students are enabled to heighten their talents through the highly qualified instruction of Ms. Scarangella, Mr. Correll, and Mr. Dorosz.

All three departments are winners of numerous awards in competitions of both individuals and groups. The chorus had a number of members in regional choir, the art department continues to put out work of inspiration and virtuosity, and the band, especially in the marching sector, has won too many awards to list.

Both music departments have a number of programs presented to the school in order to let the students, faculty, and parents see the amount of raw talent and ability the members of these organizations possess. These classes provided the beauty of sight and sound which would not otherwise exist without music and art.

# THE CONCEPTS OF MATH

The math department is keeping in step with the rapid changes in our modernized society. Kellam feels its students should have the opportunity to become more advanced with the upcoming computerized world we live in. Department Chairman, Stewart Payne, teaches Computer Science, Algebra II, and Calculus courses. Mrs. Wilma Egas instructs an advanced Computer Science course where you can learn an entirely new language entitled Pascal. Before you spend every day in the computer room, you must take the introductory course to computers which is also taught by Ms. Egas.

Several math oriented courses were added to the curriculum this year, along with new teachers, Mr. Schmitter, Ms. A. Gregory, and Ms. Stewart. High school math courses are of the utmost importance. Throughout our lives, we will always need to know integral notations and two plus two equals four.

# PLAYING THE GAME

The healthy body and a healthy mind go hand in hand. Ms. Dorothy DuRant, Department Chairman, and the rest of the Physical Education Department are in charge of teaching students to maintain a well-toned strong body. Senior and junior P.E. students spend five days a week in the gym conditioning, certainly not leaving out any fun while sophomores take two of those five days in the classroom learning how to be safe defensive drivers, talking about teenage problems and how to cope with them, and drug abuse, how it affects the victim and his or her family.

The Physical Education teachers at Floyd E. Kellam High School help students to develop skills to their fullest potential so these young men and women can function at their highest capability. To do this is quite an achievement. Students at Kellam are encouraged to put as much effort into P.E. as they do the books. A powerful mind together with a powerful body is an unbeatable combination.

Coaches are very special teachers; coordination and depth cannot be taught, but must be developed to ensure top performance.

In School Suspension takes care of those who stray from the straight and narrow, or just lay a little too far behind six times in a grading period. Mr. Joey Caruthers and Mr. Kevin Michaels are the friendly wardens of this room plainly labeled I.S.S. Few care to see behind the never decorated door of "THE PIT." Many a hand has been known to suffer from over-exhertion after a day of correctional writing.

# FROM THE CENTER OF THE EARTH TO THE COSMOS

The science department has two additions to its hard working staff this year. Ron Stephens, who is replacing Richard Baker, is teaching Chemistry. The other new teacher, Charlie McNaughton, is teaching earth science.

Along with two new teachers, there are also two new courses offered at Kellam. Marine science, taught by Mary Chappell, is the study of life of plants and animals in the ocean and the geology of the ocean floor. The marine science classes took trips to Rudee Inlet, Back Bay, and they went aboard the Chesapeake Bay Foundations Boat.

Mr. Richard Multer teaches the second new course offered this year in the science curriculum, contempory science. The students taking this class study the physical and chemical sciences on practical applications.

Any science course offered can be important fundamentally to seeking employment outside of high school. Sciences are more than just chemical equations and lab write-ups; they can be applied to a student's everyday life.

# ANALYZING THE PAST . . .

The Social Studies Department, headed by Mr. William Daley, is concerned with teaching students the history of the world, its governments, how they run, and where they are located. Way back in September, Kellam welcomed Mr. Powell Daughtry, Ms. Kessler, and Mr. Jim Boyd to its department of people.

Social behavior and psychological make-up of individuals is important knowledge to have when conquering the world of today and tomorrow. Mr. Wicks teaches us how other people act and how to conduct ourselves in Sociology, while Ms. Trainor tells us why in Psychology. Although people are individuals, they do not govern themselves individually. Mr. Daley, Mr. Daughtry, and Mr. Lambiotte teach Kellam students everything there is to know about our own Democratic Republic as well as Russia's Polit Bureau. A large percentage of seniors filled out tax forms for the first time this year, so they payed even more attention in class than usual, if that's possible, during this particular part of the Government curriculum.

Social Studies teachers provide students with information that can be passed down from generation to generation. History will never change, but can be repeated, so it is important to be aware of the past in order to make a better future.

# THE FUTURE HOMEMAKER

Home Economics courses prepare young adults for the days of independence that lay ahead. Courses on parenting, marriage, clothing, and living independently can keep minor crisis, like preparing dinner or fixing a button, in proper perspective. Whether or not future generations thrive, or cause radical social changes, like the "Flower Children" of the sixties and seventies depends on the students of today. Effective Parenting is a popular course which instructs students on raising strong, healthy, ambitious, and secure children, and what to do when they're not.

This year the Home Ec. Department had several guest speakers. Experts from doctors to counselors to self-defense instructors came to visit them. The young men and women who are a part of F.H.A. participated in a display at Lynnhaven Mall; there, everyone and anyone could hear and see what other students in the area were learning. Department Chairperson Ms. Teresa Harrington, and Ms. Taylor go beyond the classroom to focus on private lives in the Future Homemakers of America program. Families are the backbone of our American culture, and these teachers keep it strong.

# COME AND GET IT

The Kellam High School custodians and cafeteria workers arrive at school over an hour before everyone else to insure that the school is presentable and that they have the opportunity to eat a nourishing meal. These workers are diligent in their tasks, yet always have time for a "hello" and a friendly smile.

Mary Binder, the leader of the cafeteria staff, and her crew know how to make a good lunch. From soup to dessert, the flavor is always enticing. The staff is always working hard to create a clean and pleasant atmosphere in which to eat.

During the day while the students are present, Frankie Knox and his staff are continuously on the move to make Kellam a better place to be. The custodial staff is always there when they're needed. They are a vital part of the school, and without an effective team, life at Kellam would be little short of disaster. The services that they render are irreplaceable.

Even after the schools are closed, the night custodial staff strive to provide continuous service. With the amount of space at Kellam, the workload is never ending for those who try to keep it clean.

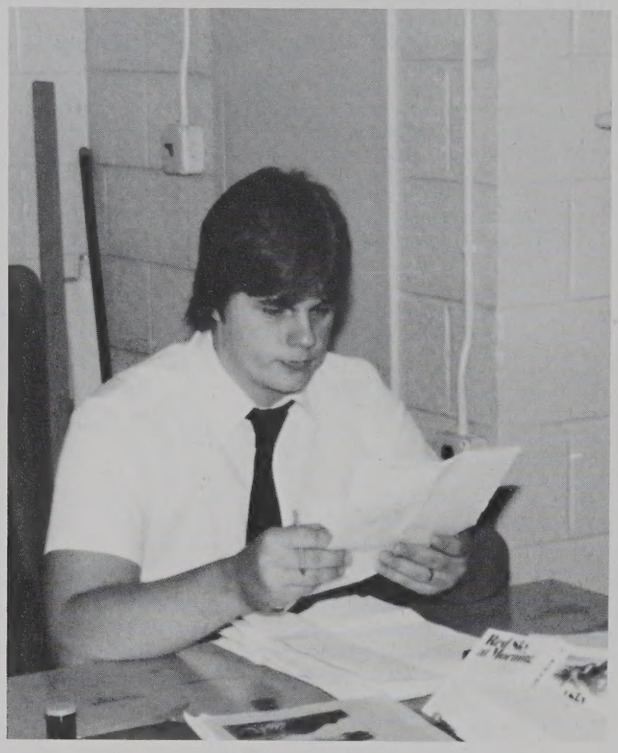
# CHALLENGER STAFF

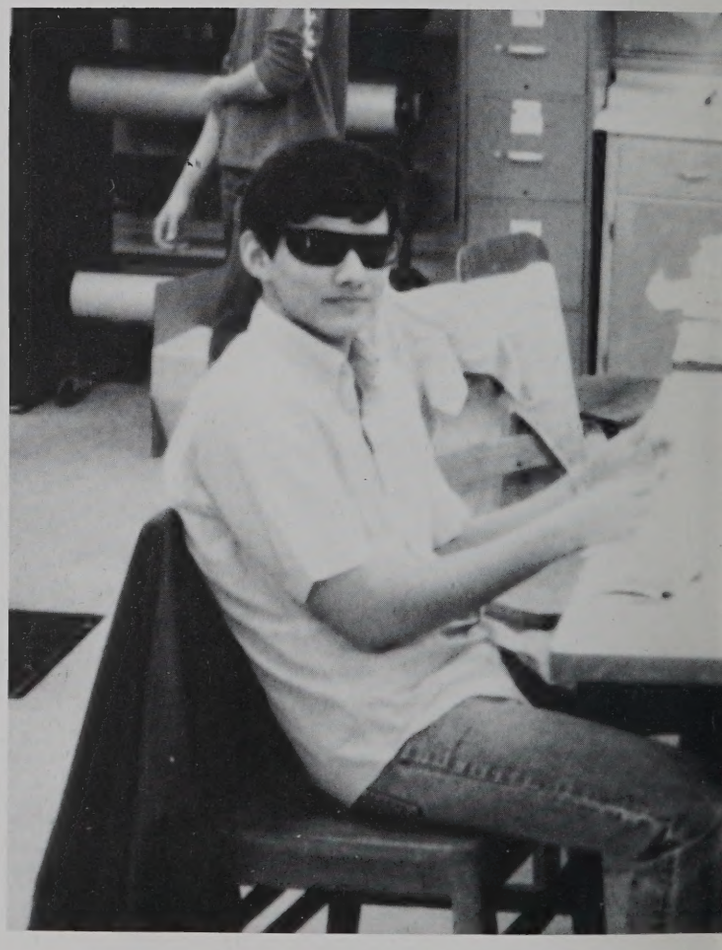
The yearbook staff would like to thank the following people for their contributions: Vernon Watts, Todd Smith, Lorrie Capps, Matt Miller, Clint Carroll, Fred Steele, Dana King, Sonya Hulbert, Chris Serwinski, John Perry, Mark Spencer, Lynn Phillips, Thom Kane, Tracy Williams, Tracy Doerfer, and of course, Mr. Ammons.

Mr. Jarrell, the yearbook advisor, diligently edits yearbook copy.



Laura Gorsuch looks forward to being the Copy Editor of the '85-'86 Challenger.

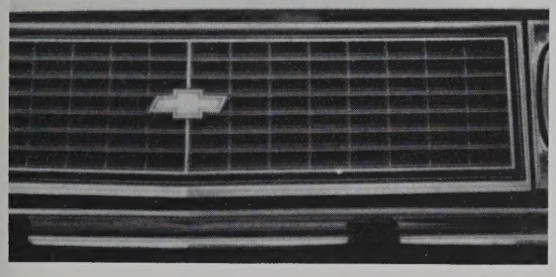
This year's Editor-in-Chief, Cynthia Luna, is dazed at the amount of work that needs to be done for deadline.

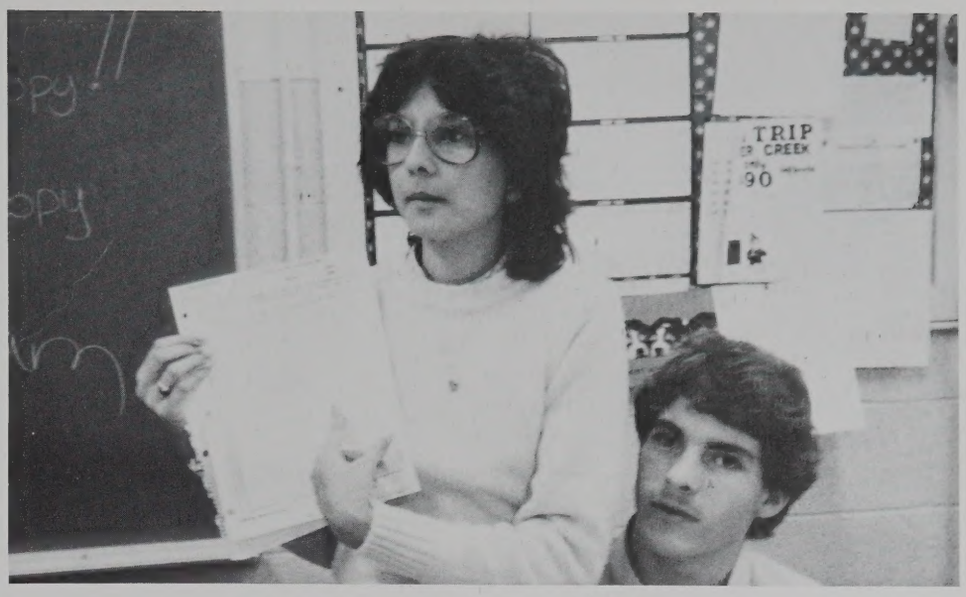


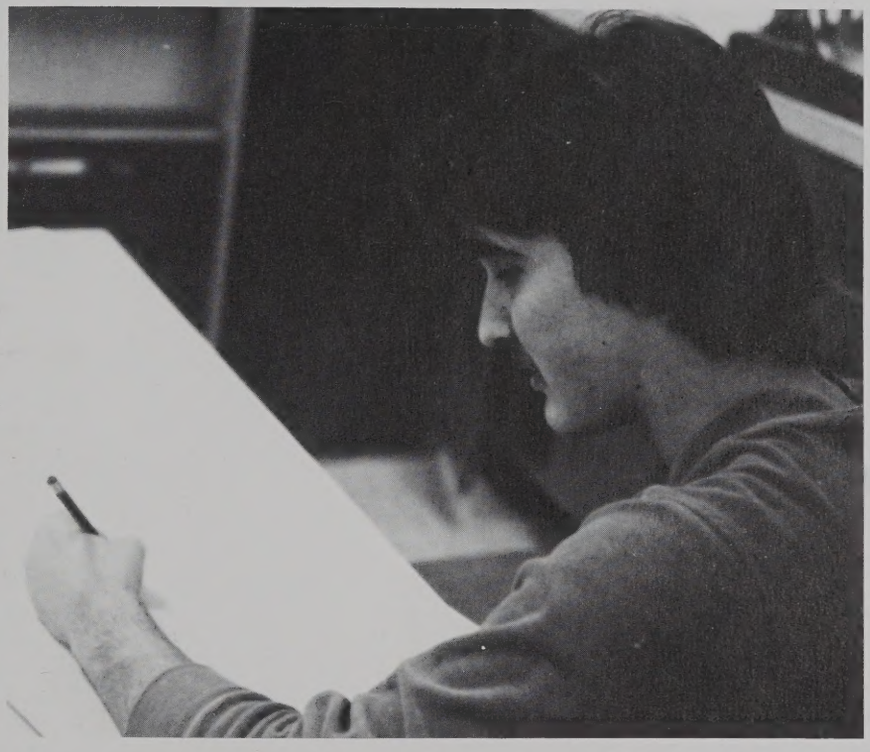
(Left to right) Rob Mina, Corinne Albano, and Rudy Bagtas work on weekends in a feeble attempt to make deadline.

Corinne Albano, assistant editor, and Dan Brown, a brilliant typist on loan from Green Run H.S., display their flawless copy sheets.

Mike Kwiatkowski and Rob Mina play "King of Jarrell's Car" during a deadline weekend.

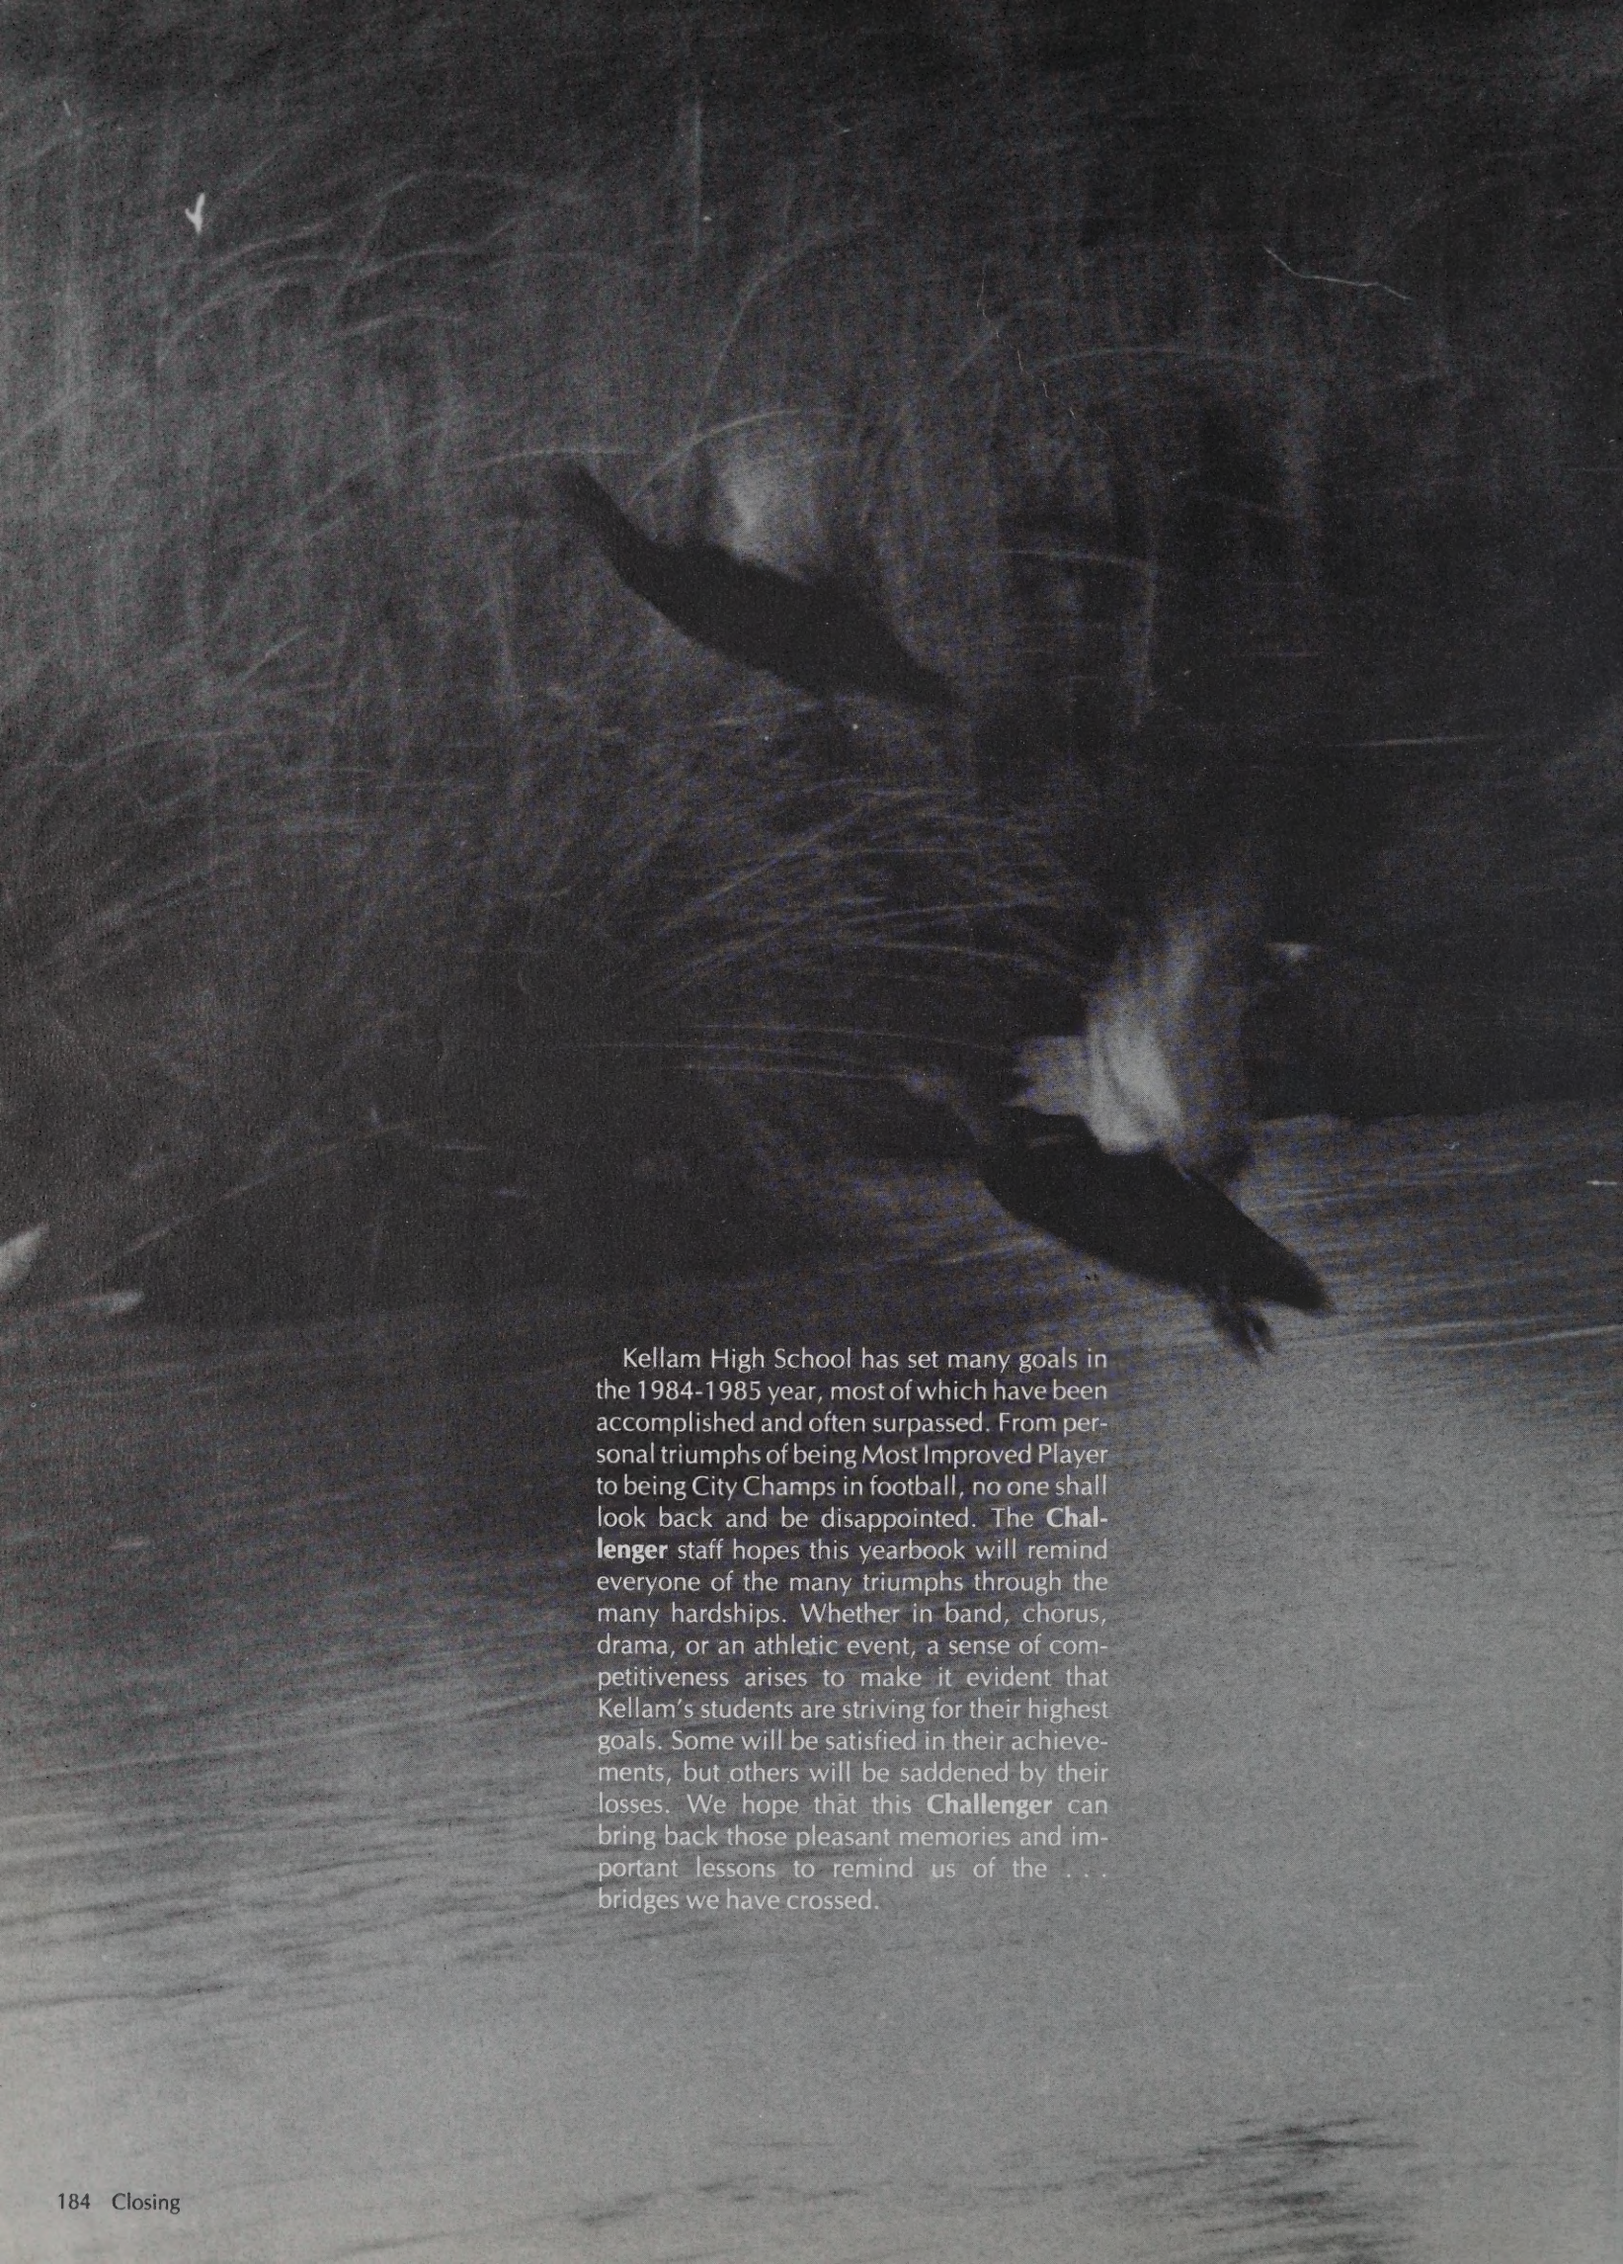






Brian Ramsey displays his artistic prose in yet another of his masterpieces.

Dawn Mayo finds out that all the layouts have to be done over.



Kellam High School has set many goals in the 1984-1985 year, most of which have been accomplished and often surpassed. From personal triumphs of being Most Improved Player to being City Champs in football, no one shall look back and be disappointed. The **Challenger** staff hopes this yearbook will remind everyone of the many triumphs through the many hardships. Whether in band, chorus, drama, or an athletic event, a sense of competitiveness arises to make it evident that Kellam's students are striving for their highest goals. Some will be satisfied in their achievements, but others will be saddened by their losses. We hope that this **Challenger** can bring back those pleasant memories and important lessons to remind us of the . . . bridges we have crossed.

Enjoy your life, one day at a time. It is much too short to waste. Keep Smiling!
Love, Sylvia

You started out the year great & fell down on the job. Better do better the next two years or somebody going to get you!
Love, Sherri

Set goals for your self and go after them at first and then one day at a time. Make your self, easy. Know you will be glad the rest will be all

Love you always – Uncle Roy – P.S. always be as you are today – dats all.

Good luck and best wishes for all the wonderful years ahead of a really great girl.!!

God. You can do it. Love, Trevor
